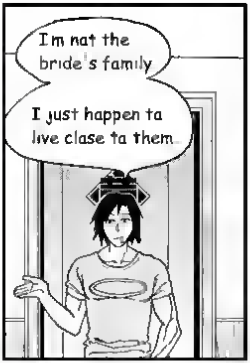
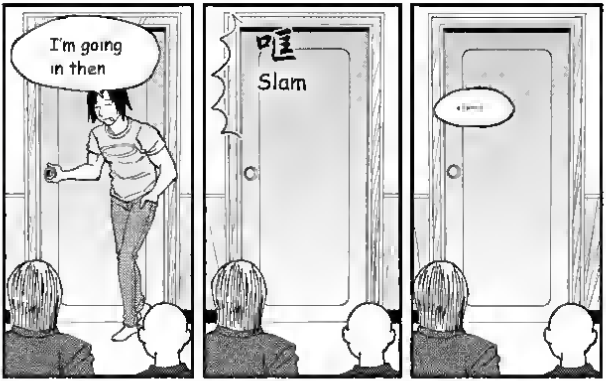
The hell you talking about? You're from the bride's side right?
Go to the groom's if you like! Bride's family are not supposed to show up in the bridal chamber!

*The customs vary from place to place



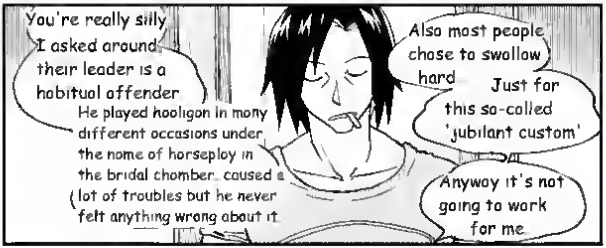
Ah! Yes!
Great buddies!
Yeah,
so I'm on
your side.
WTF ?



I'm going
in then
Slam

Wait!!
What do you mean
by going in alone?!
Now
what
With that
person here
BAM x3

咚
咚 BAM x2
Dawei?
Why are you here?
Horseplay in the bridal chamber
Stop kidding
Let them in, why did you lock them outside?
Silly, they're here to molester you
It's not that serious, just a custom
If it's not lively enough, everyone will lose face...



You're really silly
I asked around
their leader is a habitual offender
He played hooligan in many different occasions under the name of horseplay in the bridal chamber. caused a lot of troubles but he never felt anything wrong about it
Also most people chose to swallow hard
Just for this so-called 'jubilant custom'
Anyway it's not going to work for me

It's really not like you to say that much
Yeah they would be nowhere to be found right after the banquet if it were like me
But I don't want to make it bad on your big day

You are
always like a child

You just get married earlier than me! What's that air you have?
I didn't mean that

U17.com

Actually I
?

decided to see you as a big brother
only since high school

Like a
letting down
rooming around
robbing, brawling
ending up in the police station from time to time
worrisome big brother
Hey, is that supposed to be a compliment?

Wait a minute...

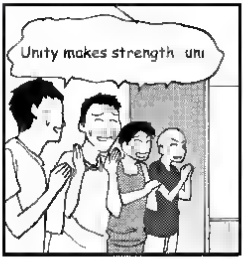
What was I before high school then?

You're still calling me silly?
You... drunk?
Ha, a little
开门!
Open the door!
It's better to have more people for horseplay in the bridal chamber after all
开门!
Open the door!
咚咚
Click

Wahhh!
Hey all come in
What? What did you do?
Eh? What?
It's OK to play now?
Stand in a line..
Douche bags.

Huh?
You nuts? Who would listen..
to you?!
?
Hey! What're you doing?!
As for as I know, horseplay in the bridal chamber is to drive off stuff like evil spirits and ghosts.
Although I don't believe in those I'll respect the custom.
Hey, baldy. Sign a powerful muscular song
And clap your hands to it.
Ah?! What's that?

T/N Unity Makes Strength is a Chinese communist military song composed in 1943 for inspiring patriotism and national unity.



Unity makes strength
团结就是力量
What happened? Horseplay in the bridal chamber?
这力量是钢
The strength is iron---
这力量是铁
It's the first time I saw it like this!
Let's join them!
The strength is steel---
What're you doing?
Fire at Fascism and imperialism
向着法西斯帝开火
比铁还硬
比钢还强
Harder than iron
Stronger than steel
让一切不民主的制度
死亡！
Let all non-democratic systems die!
Puff

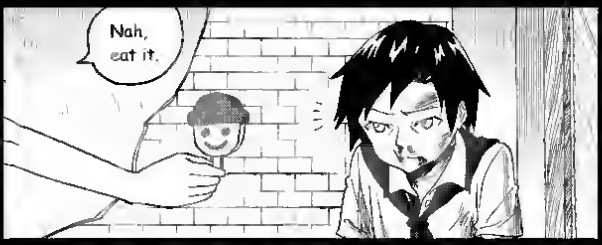
Humph

Where's the groom?
Here!

Go!

Groom!
Are you OK?
Harder than iron!
Burp!----
Strike while the iron is hot than! Hahahaha!
What?
Get out, get out!
Actually I
didn't like eating sweet things before

咔哒 Clack
.....
Sweet?
Gasp
Gasp
Gasp



Nah, eat it.

Brake your mouth right? Look at your swollen face.
.....

The ice lolly is cold.
You won't feel the pain after eating it.

Ah!
Smack!

A thank you won't kill you! Don't fight ever again!
Ugh! Too sweet!
You got swag huh?
Dare to go to the small park over there?

Sure...
Haircut
Shove
Um?
Sigh, Lili is now married off, my luck is getting bad too.
The hell it has to do with you?

But this time I can definitely..
Hey you talked about having a bra in a factary..
And it's recruiting apprentices?

You're going?
It daesn't hurt to see
I'm out! Let's go! Find that master worker!
Hey! Yau want to cheat?
Exactly!
Go go go!

Hey! Why did you lad suddenly thought it through?
I see! You must have been provoked by seeing Lili getting married!
If you don't find a proper job! You can't even find a wife!
Lili is such a good girl and now she's married off. You must be regretting!
You're noisy.
It's a win by one draw. A big one.
What?!
是时候
It's time to...
Grow up and become an adult.
成为一个大人了。
My old woman, you're up there helping...
